

Mid-gut bleeding: clinical cases, diagnosis and therapy webinar

Wednesday 17 June, 19:00–20:00 CET (18:00–19:00 BST)

Professor Reena Sidhu (UK)

Professor Anastasios Koulaouzidis (Denmark)

Professor Reena Sidhu and Professor Anastasios Koulaouzidis would like to invite you to join the iCARE webinar on mid-gut bleeding. The webinar will cover case studies and angiectasia management.

Join us on 17 June to learn more about mid-gut bleeding, with practical evidence-based insights from an expert panel. There will be an interactive question and answer section with webinar attendees.

The expert panel will comprise:

Chairs: Professor Reena Sidhu & Professor Anastasios Koulaouzidis

Mid-gut bleeding: panenteric CE or small bowel CE?

Professor Ervin Toth (Sweden)

Rare case of mid-gut bleeding

Dr Pablo Cortegoso Valdivia (Italy)

Management of angiectasia – buzz or meds?

Dr Stefania Piccirelli (Italy)

Register in advance to attend this webinar, which will be held on Microsoft Teams.

[Click here to sign up](#) (you will be directed to an external site) and receive your access details.

The webinar will be recorded and will be available on the iCARE Group website after the event. We look forward to sharing this learning opportunity with you. icaregroup.org
